To Whom It May Concern:

I am pleased to recommend the services of Recovered to your company. I have worked directly with Jude Stypa on numerous repossession orders. The services they provide and creativity used in doing such are topnotch, and we have been very pleased with the work they've done for us.

I have been consistently impressed by all of Recovered's staff. Their communication skills have allowed them to develop and maintain productive working relationships with both our members and our staff. The turnaround time to repossesses a vehicle after receiving an order is exceptional. Recovered is well suited for any challenge.

I recommend Recovered without reservation. If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Sincerely,

Fabiola Barron
